# Low Fidelity Sketch (IHCI Group Project)

**Group 44**
**Project Name : FoodHomiez**

Shivam Agarwal   *2020123*
Aishwary Sharma *2020490*
Rohan Kulkarni    2020537
Antonio Pedro     *2020028*
Lokesh                 *2020077*

## *Problem Statement :*

Priya is worried that she will not be able to accept and complete orders on the app from her customers. So design sketches of the workflow of your app on how to fulfill your customers' orders .
